PLEASE NOTE THAT SOME OF THE APPOINTMENTS TO THE COMMITTEES LISTED IN THIS BOOKLET HAD NOT BEEN MADE AS OF THE DATE THIS BOOKLET WAS PUBLISHED.

Administrative Rules Oversight Committee IC 2-5-18 (Permanent)

The Committee meets at the direction of its chair, and typically deals with the following matters:

- (1) Citizen complaints concerning agency rules or practices.
- (2) Violations of the time frames within which agencies must promulgate and adopt rules.
- (3) Proposed agency rules that may have an economic fiscal impact of \$500,000 or more.

AROC may make recommendations to an agency that a rule be modified, repealed, or adopted. The Committee may also introduce legislation to make the statutory refinements necessary to correct an agency practice or regulation that represents a misapplication of Indiana law.

Census Data Advisory Committee IC 2-5-19 (Permanent)

The Census Data Advisory Committee is required by statute to do the following:

- (1) Advise and assist the Bureau of the Census in the preparation and organization of decennial census data for use by the General Assembly in reapportionment.
- (2) Work with the Bureau of the Census in defining the boundaries of census blocks in Indiana.
- (3) Coordinate efforts to obtain an accurate population count in each decennial census.
- (4) Work with other state and federal agencies to assist in the local review program conducted in Indiana.
- (5) Work with the Code Revision Commission to prepare legislation in the regular session of the General Assembly that meets during the year of the effective date of the decennial census to propose amendments to Indiana law to reflect the population information obtained as a result of the decennial census.
- (6) Study costs and other relevant aspects of acquisition by the state of a geographic information system.
- (7) Make recommendations to the General Assembly concerning changes or amendments to election law.

In addition, HEA 1024-2000 provides that before January 1, 2001, the committee shall study and make recommendations to the Legislative Council concerning the following:

(1) The standardization of municipal election calendars to conform to county, state, and federal elections,

including the following possibilities:

- (A) The elimination of town conventions under IC 3-8-5.
- (B) The implementation of primaries for the nomination of candidates in small town elections.
- (2) The elimination of municipal elections in odd-numbered years so that all municipal elections are held in even-numbered years with countywide elections.

Central State Advisory Committee P.L. 102-1998 (July 1, 2001)

The Committee is charged with the responsibility of determining the best use of the Central State property. The CSAC is to act upon any recommendations of the Governor as to selling, leasing or transferring possession of any part of the real property constituting the grounds of Central State Hospital. SB 215-1998 amended the original legislation to require the Committee to obtain the following information:

- (1) The number of adults with mental illness or mental retardation.
- (2) The number of adults with mental illness or mental retardation confined by the Department of Correction (DOC).
- (3) The number of adults with mental illness or mental retardation who will be released by the DOC and require services for mental illness or mental retardation.
- (4) The number of adults with mental illness or mental retardation in county jails.
- (5) The number of adults with mental illness or mental retardation who will require services for mental illness.
- (6) The number of adults with mental illness who require services but will not receive adequate services and the reasons for the lack of needed services.
- (7) The requirements for services and types of placements needed for all adults with mental illness.
- (8) The number of beds required to serve adults with mental illness.

Child Custody and Support Advisory Committee IC 33-2.1-10-1 (Permanent)

The Committee is responsible for reviewing the child support guidelines adopted by the Indiana Supreme Court. The Committee is required to make recommendations, if appropriate, concerning any amendments to the guidelines. The Committee is also charged with reviewing custody and educational expenses and other items relating to the welfare of a child of a family that is no longer intact. The Committee shall consider the following:

- (1) The mathematics pertaining to the child support guideline chart.
- (2) The actual costs of supporting a child.
- (3) Whether it is appropriate to calculate child support guideline amounts based primarily upon the parents financial abilities.
- (4) Equality of child support awards for the children of the parties.
- (5) A mechanism that may be employed to modify the amount of support to be paid due to a change in financial circumstances or a change in the number of children being supported by either parent.
- (6) The age of a child to the extent that the child may require different amounts of support at different ages.
- (7) Clarification regarding under what circumstances, if any, support may be abated.
- (8) A mechanism that may be employed to ensure that the guidelines are applied flexibly.
- (9) The application of the guidelines to a split custody situation.
- (10) Whether it is appropriate to base child support guidelines upon the premise that the child should enjoy the same standard of living that the child would have enjoyed had the family remained intact.

The committee was also assigned to study issues concerning child custody, visitation, and age of emancipation (SCR 51)

Board for Coordination of Child Care Regulation IC 12-17.2-3-1 (November 1, 2001)

The Board was established to study the following topics:

- (1) The need for changes in the scope and degree of child care regulation established by statute or rule.
- (2) The need to reorganize governmental units involved in the regulation of child care facilities to promote effective and efficient child care regulation, including the form that a needed reorganization should take.
- (3) A method for the completion of a statewide needs assessment to determine the availability and projected need for safe and affordable child care.
- (4) The need for programs to meet the needs of Indiana residents if the board determines that safe and affordable child care facilities are not available and easily accessible.
- (5) The effect of federal legislation on child care and the need for statutory changes to qualify for federal child care grants and to comply with federal child care requirements.

County Government Study Commission P.L. 109-1997 (SEA 477) (June 30, 2001)

The Commission was established by statute to study the following issues:

- 1. How to improve the effectiveness and efficiency of county government by examining the function and duties associated with all elected county officials and departments of county government. The Commission shall focus on how these functions and duties relate to the functions and duties of other elected county officials, departments of county government, and other state and local governmental entities.
- 2. The functions and duties of elected county officials and departments of county government that should be more clearly defined by statute to avoid disputes over allocation of power in county government.
- 3. The functions and duties of elected county officials and departments of county government that should be eliminated, altered, or reassigned to other elected county officials, departments of county government, or other state or local governmental entities.
- 4. The functions and duties of county commissioners in Lake County and St. Joseph County and how their legislative and executive powers compare to county commissioners in other counties.

Environmental Quality Service Council P.L. 248-1996 (SEA 138) (December 31, 2000)

The Environmental Quality Service Council (EQSC) is required to do the following:

- (1) Advise the Commissioner of the Indiana Department of Environmental Management (IDEM) on policy issues decided upon by the EQSC.
- (2) Review the mission and goals of IDEM and evaluate the implementation of the mission.
- (3) Serve as a council of the General Assembly to evaluate:
 - (A) resources and structural capabilities of IDEM to meet IDEM priorities; and
 - (B) program requirements and resource requirements for IDEM.
- (4) Serve as a forum for citizens, the regulated community, and legislators to discuss broad policy directions.
- (5) Submit a final report to the Governor, the General Assembly, the Budget Committee, and the Administrative Rules Oversight Committee each year that contains:
 - (A) an outline of activities of the EQSC;
 - (B) recommendations for any IDEM action;
 - (C) recommendations for any legislative action; and
 - (D) an estimate of funding levels required by IDEM, including an evaluation of permit fees.

Health Finance Commission IC 2-5-23 (Permanent)

- P.L.11-1995, SEC. 1 established the Health Finance Commission to study health finance in Indiana. The commission may study any topic:
- 1. directed by the chairman of the commission;
- 2. assigned by the Legislative Council; or
- 3. concerning issues that include:
 - A. the delivery, payment, and organization of health care services; and
 - B. rules adopted under IC 4-22-2 that pertain to health care delivery, payment, and services that are under the authority of any board or agency of state government.

The commission was given these additional charges.

- A. Study the provisions of the Federal Ticket to Work and Work Incentives Improvement Act and the options created for Indiana by the act (HR 69)
- B. Receive recommendations from the Secretary of the Family and Social Services Administration concerning obesity in adults and children and costly health complications (HCR 48)
- C. Study the development of a methodology to objectively provide information to the general assembly regarding the impact of proposed or enacted health insurance mandates (SCR 13)
- D. Study the topic of privacy of personal health information (SR 32) E. Study health facilities, training of employees, and complaint procedures (HB 1124)

Regulatory Flexibility Committee IC 8-1-2.5-9/IC 8-1-2.6-4 (Permanent)

The Committee is required to consider the following issues:

- (1) The effects of competition on available subsidies used to maintain universal service.
- (2) The status of modernization of the public telephone network in Indiana and the incentives required to further enhance this infrastructure.

- (3) The effects on economic development and educational opportunities of modernization.
- (4) The current method of regulating telephone companies and the effectiveness of the method. (5) The economic and social effectiveness of current telephone service pricing.

The Committee is also required to study and make recommendations relating to possible deregulation of electric utilities, including the following issues:

- (1) The effects of competition or changes in the energy utility industry and the impact of the competition or changes on the residential rates.
- (2) The status of modernization of the energy utility facilities in Indiana and the incentives required to further enhance this infrastructure.
- (3) The effects on economic development of modernization.
- (4) The traditional method of regulating energy utilities and the effectiveness of the method.
- (5) The economic and social effectiveness of traditional energy utility service pricing.
- (6) The effects of legislation enacted by the United States Congress.

The committee was given these additional charges.

- A. Study the issues relating to the provision of video and voice coverage of sessions of the general assembly through the Internet or a cable television service (HR 22)
- B. Study the issue of utility subsidies to affiliates or unregulated activities (HR 59)
- C. Study the topic of merchant power plants (HCR 81)
- D. Review the issue of open access to Internet services (SCR 48)
